

FRIENDS OF THE JERSEY FESTIVAL CHOIR

Please consider supporting the Choir in its tradition of performing great choral works.

Friends of the Festival Choir contribute to the expenses of hiring the professional conductor and instrumentalists for our spring concerts. In return, one free ticket is given to **Friends** for each one paid for.

Our annual Festival of Carols at St Thomas' has free entry with a retiring collection, all of which is given to the chosen local charity. **Friends'** support helps to enable this.

Friends are asked to donate a minimum of £25 per year. Please see below the ways in which you can donate. Please fill in your details and return the form to:
